THE AMI INSIDER

AMI Insider | June 2022

Looking Inside

This feature gives you a glimpse of what our radiologists see when they review your medical images. All studies are read by board-certified radiologists that have specialized training in their field.

June Is Men's Health Month

Studies show that men are not as forward as women when it comes to discussing health issues or concerns with their doctors. AMI encourages men to take control of their health by seeking regular medical advice. [Read more.](#)

Patient Ambassador

Navigating a cancer diagnosis during a pandemic, alone, Kristen Aydin wanted to feel she had her doctor's undivided attention, and she was the only person who matters. That is what she received at AMI.
